PURPOSE/BACKGROUND:

Currently, more than half – 53 percent – of the money generated through the visitor paid room tax goes back into the communities. Entities receiving revenue from the visitor paid room tax include local government entities, Clark County School District, county transportation, Nevada Commission on Tourism, and local chambers of commerce. Collectively, these entities are projected to receive nearly \$2.6 billion of visitor paid room tax from FY 2006-2015. The City of Las Vegas will receive an estimated \$2.5 million in the 2007 fiscal year.

RECOMMENDATION:

It is recommended that the City Council adopt this resolution.
